

# 110 SOUTH SYCAMORE ST, FAIRVIEW, KS 66425

*For Sale*

Here is a lovely 3 bedroom, 2 bath home that will require very little work to just move in. It features a lot of hardwood floors, a fireplace, and a built-in hutch in the dining room. The front entrance is a unique deck with shade in the late afternoon sun. The water heater & water softener were new in 2021, and a new furnace in 2019. The owner says he has never had water in the basement since the sump pumps were updated in 2019 & 2021. A large office desk in the basement will stay with the home as well as the stove & refrigerator. The home is brick and has thermo-pane windows, although on a busy highway there is little to no road noise in the home.
