81 ACRES, NODAWAY COUNTY, MO

Take a look at this very good 81 acre tract that is only a quarter of a mile south of the lowa State line. You truly get lowa soils at Missouri tax levels. It's highly tillable and cash rented at a high rate per acre. This farm will make you a great long-term investment. As another plus, I saw the biggest buck deer I've ever seen in my life on this farm last fall.
