## ***85 Acre +/- Holt County, MO***

Here's some Holt County upland that's well located, and highly productive. Hunting rights are shared with the owner of the farm and the neighbors who have the hunting lodge in the middle of the property. Lodge owners have the non-exclusive right to hunt the premises provided they pay the Total Real Estate Taxes on the property for each year, stay current and hold the owner of the farm harmless in the event there would be any accident. Email us for a copy of the hunting easement if you'd like to see the exact wording and recorded document. This hunting easement runs with the land but disappears in the event the neighbors fail to continue to pay the taxes in a timely fashion. Benefit from another Home site if you don't mind the neighbors
